Dear Members of the Senate Judiciary Committee,

My name is Patti Kanduch, and I am the State Director for Concerned Women for America (CWA) of Montana. CWA is the largest public policy women's organization in the United States with more than 500,000 members.

I know you are all very tired of reading everyone's testimonies so I will be very brief.

Montana has two very real problems. Pot holes and pot heads. H.B. 161 will get rid of one of them. I am still looking for the committee to get rid of the pot holes.

Please do not let Montana become like our southern border states. Drugs always bring crime to any area where they are bought and sold. Please keep Montana drug free. Support H.B. 161

Thank you;

Patti Kanduch

State Director for Concerned Women for America of Montana
